

FRESH AIR TO GO

TRAVEL IN HEALTHY SPACES

BENEFITS OF FRESH AIR TO GO

In today's modern environment with long daily commutes or your next road trip, the FreshAir ToGo is ideal for providing the cleanest, healthiest air for your car, truck, R.V. or camper. The FreshAir ToGo provides the latest in air purification technologies, utilizing ActivePure Technology which prepare a high intensity UVC lighting. ActivePure Technology helps create healthier spaces and is Certified Space Technology™. The FreshAir ToGo is a pocket-sized unit that significantly reduces unpleasant odors, contaminants and allergens.

- Removes airborne contaminants and allergens - reducing asthma and allergy symptoms for a healthier body
- Freshens air and removes odors in otherwise stale-prone environments
- Removes dirt and dust from the air to make cleaning easier

PRODUCT FEATURES

The advanced technology contained within the FreshAir ToGo serves to make breathing easier, cleaner and healthier. This sleek, pocket-sized unit provides the cleanest, freshest air possible

- Uses super oxide ions and hydro peroxides created by ActivePure Technology to remove contaminants
- Negatively charged ions remove microscopic particles from the air that will reduce allergens and harmful airborne pollutants
- Contains a high intensity UVC light that makes use of the same oxidation and ionizing properties of light as naturally occurring sunlight

- Touch sensitive settings to provide ease of operation and function
- Multiple settings to customize and optimize the usage of the FreshAir ToGo for multiple environments ranging from a small automobile, large R.V., hotel room or camper
- Eliminates smoke, odors, and contaminants on surfaces in the areas where you spend a great deal of time

ABOUT VOLLARA:

You've always heard we are what we eat... NOT TRUE... we are what we ABSORB! Air, water and nutrients are all vital to our health and what we absorb is the key. Vollara technologies offer complete health choices: choices to purify the air you breathe and the surfaces you touch, enrich the water you drink, support your immune system and strengthen your body. Our in-house team works closely with our esteemed Medical & Scientific Advisory Board that tests and researches every component of every technology to ensure we are delivering solid, best-in-class products. Our proven business systems empower people to command their financial footing, to bring security to their lives, to provide for themselves and their loved ones and to help all of us care for this precious planet with which we have been blessed.
